December Program

Toys and Music boxes- by Don Riley

Don Riley, the magical toy and music box maker that you have all seen and enjoyed in the Design in Wood Show, will be our speaker. Along with bringing two complete music boxes to the meeting, Don will be sharing with how he makes his toys, from simple block toys, through carousels, rocking horses and finally to the complex and ornate music boxes that he creates and gives to children groups for all to share. He will discuss the finishing processes and the electrical components for his creations. Besides winning first place in "Made for Children" four times at the fair, he has been the subject of many magazine and newspaper articles and was even part of a Disney program on toy making. He will be sharing a clip from that program with us during the program.

The meeting will be on Wednesday, December 1st at 7:00PM in the Al Bahr Temple located at 5440 Kearney mesa road. (Behind the Hampton Inn)

See you there,

Del Cover, Program Chairman

November Membership Report

As of 8 November we have 1595 members. Already 46 members are paid up for next year. I encourage you to do likewise. It will ease the rush of renewals at the first of the year and reduce the number of reminder letters to be sent out in February. Member cards for 2005 will be mailed in the first half of December

We continue to get newsletters returned for members who have moved without letting us know. The newsletters, in bulk mail, aren't forwarded, so we pay \$0.60 each for their return. Meanwhile, the intended recipients don't receive that newsletter.

From the President...

In accordance with our bylaws, next year's board of directors will be elected during the December 1st general meeting. Nominations were opened at the September meeting and are closed at this meeting. Ron Rossi and Bob Stevenson will present the nominees and a floor vote will be taken. Besides the 5-member board we have volunteers serving on many committees that really form the heart and soul of the organization. Without them we couldn't function. Thanks to all of them for making 2004 another great year! Your committee chairs and volunteers are listed in each newsletter, so take a look and give them your thanks for their support. Of course there are many opportunities to get involved, meet fellow woodworkers and be part of the largest and most active woodworking organization in the world! Amateur or professional alike there is opportunity for all. Contact Ron or Bob if you have someone to nominate or if you are interested in serving on the board or a committee of this fine organization.

Ron Rossi 619-582-9883 ronrossi@cox.net

Another year has passed and it has been a good one for you and SDFWA. I am happy to report that the seminar was another great success this year. Once again we were able to hold down costs, give everyone a great bargain, and still come out financially solvent. The Design in Wood was another successful event that had more categories, increased awards and record attendance again this year. Eight high school and college scholarships were awarded again this year thanks to your contributions. Two dollars of each member's dues are put aside for scholarships. Time has come again for renewing your membership. Don't let the time go by and forget, renew now while you think of it. January is just around the corner and you don't want to miss out on those great discounts because you forgot to renew your membership.

November is a busy time for us woodworkers making all those holiday presents. Bring your favorite to the meeting and show it off at the brag table. We woodworkers are always looking for good gift ideas. A very Happy Thanksgiving to all. I hope to see you at the next meeting. **Just remember it is the first Wednesday in December.**

Pro Bono Report

The most recent donation of toys was to SAY San Diego or Social Advocates for Youth. This non-profit organization, began 31 years ago, provides services to the youth of San Diego, such as before and after school programs; education on pregnancy, substance abuse, and gangs; and counseling for the individual and family. We have donated to several of the eight locations. The donation consisted of 14 chairs plus assorted toys.

Additionally four chairs, made at the San Diego County Fair, were donated to and are in use in the children's waiting room at the Camp Pendleton the ear, nose and throat clinic.

Jim Vitale, Pro Bono Chairman

Old Tool Swapmeet

The old tool swap meet was up and running, in parking lot in front of the Rockler store, on a dark and cloudy Sunday morning, November 7th. The threat of rain didn't deter the buyers and sellers. It was reported by Bill Collins, swap meet coordinator, this was the biggest crowd ever, with buyers and sellers turning out in large numbers. There was great selection of tools to be had by anyone who wanted to purchase something for themselves or as that special gift for someone else. Among the many items for sale there were a large number of hand planes of all sizes and types, from new to antique. Additionally a large selection of chisels, turning tools and measuring tools were available from the sellers.

Special thanks goes to the management and staff at Rockler for allowing the use of the restroom facilities in the store before opening and then opening early so those of us who couldn't find everything that we needed at the swap meet could possibly find it in the store.

As predicted by the weather reports, it started raining about 9:00am. By this time most everyone had found that special item they were looking for so the rain didn't bother them too much.

If you missed this great event or just can't wait until the next one, the next swap meet will be held in six months, on April 3rd 2005, the weekend that daylight savings time starts.
