### **Building the Nakashima Conoid Chair**

You may have seen this chair at the Design In Wood Show at the 2010 San Diego County Fair. The Nakashima conoid chair has become an iconic piece of modern furniture that has many technical and engineering difficulties in reproducing. Mike Wells, of Tassajara Designs in Carlsbad recently got an order for a set of these and decided that the seat part would be an ideal project for his CNC machine, but the rest of the process uses many custom designed jigs and set ups that should be familiar to everyone. Mike has used his computer-based engineering background for design and machining solutions along with old-world craftsmanship to produce unique furniture and cabinetry. One of these chairs was in the Design in Wood Show and he has put together a wonderful photo essay on the process of building this chair from lumber layout to final finishing and will present it while discussing what went into setting up and building this chair. I doubt that many of you have CNC machines in your garage, but this show still highlights all of the construction steps to build this chair and will be essential to anyone contemplating to build one of these. If you want to preview the slide show, it can be seen at:

See you there,

## ***July Raffle***

Please come early and take a good look at the prizes. Ticket sales begin at 6:30pm with another opportunity to buy additional tickets at the meeting break. The more tickets you buy the better the chance of winning that tool you've had your eye on and would look great in your shop. All of the money goes directly to acquiring bigger and better prizes. See you at the raffle.

## **From the President...**

Thank you, thank you, thank you... to all the volunteers who helped with the 2010 Design In Wood Show. From picking up and moving all our things from storage, a weeks' worth of set up, walking the floor and working in the chair shop to tearing down and cleaning up. As usual, the fair themed decorations were first class. I would also like to thank Bob Stevenson and his staff for making everything look so easy.

Judging DIW pieces is always a difficult task and this year was no different. The only thing that made it a little harder was the record number of entries - Just over 400! Our members had some beautiful pieces displayed this year and we expect to see more next year.

Eight scholarships were awarded during the fair this year. Four scholarships are awarded to Palomar College students and four to high school woodworkers. The work keeps getting better and better. All the award winners are encouraged to bring their pieces to the July meeting.

Don't forget about the upcoming Fall Seminar with David Marks. Ed Gladney and his crew are gearing up for the 2 ½ day event, so keep a look-out for information in upcoming newsletters.

I hope everyone's summer is going well and you all are staying safe in your workshops.

## **Design in Wood 2010**

July 5, 2010, brought to close the best Design in Wood Exhibition SDFWA has ever sponsored. The throngs of viewers passing through the exhibit repeatedly came by the information desk to thank us, congratulate us, and, in more cases than I can count, tell us the "Design in Wood is the only reason we come to the Fair."

It is truly heartwarming to hear these comments and to see the response of people when they look at the beautiful pieces of furniture and wooden objects in the exhibit.

I would like to thank everyone for their untiring support in putting on this, our 29<sup>th</sup> consecutive exhibit. Everyone who helped from setup, to takedown, and everyone who participated whether it be as a volunteer or entrant, we couldn't have done it without your help.

Personally I want to thank my staff pictured here and, most importantly, all the spouses of the staff and, most importantly to me, my own wife, for all the many hours we all worked together to make this year's Design in Wood a truly awe-inspiring exhibit.

Proudly Presents the

# 2010 Fall Seminar

With David Marks

Star of the DIY TV Show Woodworks

September 24, 25, 26, 2010

Tickets will go on sale at the April meeting.  
(Cash or check at the meeting only)  
(On-line sign up will be available soon)

We are pleased to announce that David Marks, Star of the DIY network TV show “Woodworks” will be the speaker for our annual Fall Seminar. This is truly a unique opportunity for our members. David is in great demand and we are lucky to have him for an entire weekend seminar.

David’s studio furniture and sculpture is featured at many galleries, collections and exhibitions and can be viewed on his web site, [www.djmarks.com](http://www.djmarks.com). His many projects built during seven seasons of the TV show Woodworks can be view at

[www.djmarks.com/woodworks.asp](http://www.djmarks.com/woodworks.asp). David will be demonstrating the **techniques of band sawn veneer, double bevel marquetry with a scroll saw, and router template inlay as he makes a curved lid for a small chest.** Utilizing a vacuum press, David will teach you his technique for gluing up the curved panel of the lid.

**In addition, on Friday evening, David will be giving a demonstration of his award winning gilding and patination process.** The processes that David will demonstrate can be applied to any surface that will accept paint.

These include wood, metal, paper, ceramics, glass, even plastics. You will learn about some very creative and innovative techniques to enhance your work and increase your marketability. David will gild with copper, silver, and Dutch metal leaf.

In addition to demonstrating the traditional oil size method of gilding, he will also explore creative gilding techniques, such as the Japanese Notan method, of balancing positive and negative spaces. David will introduce students to the process of chemical patination. He will demonstrate various cold patina processes that students will learn working safely with mild acids. These are the same techniques that David uses on his award winning sculptures and vessels.

Our seminars are always a tremendous value for our members. We strive to bring the best presenters and provide a great experience for all SDFWA members. Besides the unique opportunity to see and meet a internationally famous woodworker, we also provide the following. A theater setting with a large screen that displays close up live video of all operations by two on-stage cameras, door prizes throughout the day and of course fully catered meals (breakfast snack and hot lunch) with coffee, soda, water, veggies and snacks throughout the day. **All this for as very low price reserved exclusively for our members.**

**Tickets will go on sale at the April meeting.  
(Cash or check at the meeting only)  
(On-line sign up will be available soon)**

**Members \$100  
Non Members \$130 (includes SDFWA membership)  
Seating is limited**

**Note: This is a tremendous value and a once in a lifetime opportunity. David's classes at his workshop are typically in excess of \$700 plus the expenses of staying there. You will never have a chance like this again!**

**Friday September 24, 7:00 – 9:00  
Saturday September 25, 9:00-4:00  
Sunday September 26 9:00 – 3:00**

**San Diego School for the Creative and Performing Arts  
2425 Dusk Drive, San Diego, California 92139**

## **ProBono Letters**

Yesterday, our Assistance League membership got to see the toy box and the word is, "It is sooo cute!". Our new Twain Committee Chair told me it's red and looks like a circus tent. I'm sure the children at Twain's Infant-Toddler Center will be enchanted! Thank you so much for the time and creativity and materials you invested to make some children very happy! And our thanks as well to the San Diego Woodworkers for their altruistic spirit in offering to do special community projects.

Gratefully,

Gail Romaine  
Assistance League Twain Committee

San Diego Fine Woodworkers Association  
Dear San Diego Fine Woodworkers Association,

I am happy to be in a position to thank you once again, this time for your donation of wonderfully crafted toys to SAY San Diego to support our Healthy Start Military Family Resource Center.

As supporters of SAY, you know about the work we do. We provide a vast array of services to strengthen children, families and communities, including delinquency Prevention, before and after school programs, family support, community development and collaboration, and drug abuse prevention. As you read this letter, you may wonder about the people benefitting from your donation. Who are the 47,000 individuals that SAY helped last year? Let me give you one example.

After raising nine children, Rita thought she knew about parenting. But, with her three year old grandson challenging her daily Rita sought help from SAY's Start Smart program. The parenting classes showed her positive things to do with her grandson. Impressed with the results, Rita encouraged her daughter and granddaughter, both with small children, to enroll in Start Smart All three have since graduated from the program and enrolled their children in preschool, which will help them to succeed in kindergarten. Thanks to SAY programs, these parents know how to better support their children's learning and development.

Four generations - grandparents, parents, youth, and children - all being helped by SAY San Diego and by you. Your donation makes a real difference for families and communities. Thank you.

Sincerely

Michael Carr , Executive Director
