### **TEN THINGS THAT YOU CAN DO TO MAKE DUST LESS OF A PROBLEM IN YOUR SHOP.**

For the January program we will have the woodworking "Rock Star" Sandor Nagyszalanczy talking about what's new in dust collection for the shop. Sandor is a former senior editor of Fine Woodworking magazine, West coast editor of American Woodworker and a current contributing editor to Woodworker's Journal. Sandor is a furniture designer/craftsman with nearly 35 years of experience and is the author and photographer of more than a dozen books including The Complete Guide to Jigs and Fixtures, The Homeowner's Ultimate Tool Guide, The Art of Fine Tools and Wood shop Dust Control. He is also a ten-time recipient of Vaughan-Bushnell "Golden Hammer" award and for the past seven years, he has worked as a design consultant to a major power tool manufacturer. Sandor will bring a few copies of the Wood shop Dust Control book if anyone wants to purchase it at the meeting. Sandor can also be seen at his website: <http://sandorsworkshop.com/>

See you there,

**Del Cover, Program Chairman**

## **From the President...**

It takes a lot of people to make this organization run. Every single member enables the San Diego Woodworkers Association to function at its current level. The majority of our membership supports us solely by being a member and paying their annual dues. That in itself helps provide our members with a variety of things - From being the co-host of the Design in Wood Show all the way down to purchasing card stock for our membership cards. For \$30 a year, you get a great return on your money. If you do your shopping at our sponsors, and you have a few projects a year, you will see the savings throughout the year.

### **Now a word for our Membership Committee (actually from me)**

Our sponsors would appreciate you renewing as well. We all know we have to renew for continued benefits in 2011. Let's not make our sponsors feel like the bad guy because you forgot to send in your check. Don't forget... you can always pay online at our website by clicking here [Renew Membership](#) or go to [www.sdfwa.org](http://www.sdfwa.org) and look for the "Online Membership" icon on our home page.

### **On Mentoring**

2010 was a stellar year for our Mentor Program chaired by Ed Gladney. We held more classes in 2010 than any year prior. Special thanks go out to all of the great mentors over the past year. Chuck Anderson, Ed Gladney, Phil Goettsch, Doug Parker, Ron Rossi, Martin Ruch and Bob Stevenson. Thanks to Dale Stauffer for the use of his shop and Bob Bixel for assisting Ed Gladney. I hope the 2011 schedule will keep pace with that set in 2010.

If you would like to see a particular class taught, please bring it up at an upcoming meeting. That way, we can poll the attendees to see if there is enough interest. If not, we can always set you up with someone who may be able to help you personally.

We are always in need of mentors, shop space to hold classes and members to assist during the classes.

In line with the **Mentor Program**, Russ Filbeck is offering an introductory class specifically for brand new members. Topics vary and can cover anything from finishing to sharpening. Only new members in attendance at their first meeting have this opportunity. Don't miss out.

### **Annual Meeting**

We held our Annual Meeting on December 1<sup>st</sup>, and I am happy to announce that the entire Board of Directors is staying on for another year of service. Thanks goes to Russ Filbeck and Jim Vitale for acting as Nominating Committee and to our

Vice President, Dave Henry

Treasurer, Doug Parker

Secretary, Dick Ugoretz

Member at Large, Ed Gladney

I would like to thank Delta Tools for a great presentation and for donating our raffle prizes for the evening. If you would like to see more programs relating to tools or tool development, please let Del Cover know. It's a rare opportunity that you can voice your opinion directly to the Product Managers. Who knows, you may see your input on the next series of sanders or planers. Thanks for doing such a great job with the programs Del.

### **Design in Wood Show**

**Race to the Fair** is this year's theme and Bob Stevenson will be holding the first DIW meeting on January 8<sup>th</sup>. Chuck Anderson will host the meetings at his house again this year. Please see Bob's write up for more information. Thank you Chuck for your continued support.

### **Book, Magazine and Merchandise sales**

Aside from setting up the DIW show, Pat Kowalke and Ron Posten have one of the most physically demanding jobs in the association. Every other month (sometimes every month) they haul hundreds of magazines and books out of their garage, into the car, then out of the car and into the meeting hall.... AND BACK! Geez! Thank you very much for all the time and effort you spend to make sure our members get a great deal on reading material. P.S. They can always use a little help!! Take one or two boxes home and bring them back at the next meeting. I'm sure they will appreciate the help.

Talking about sales, Al DeVries just keeps on trucking. Not only does he sell SDFWA merchandize, but he runs the cutout and memory box program... and makes them too! He only has time to do that when he's not pounding the pavement at every Old Tool Swap Meet at Rockler trying to drum up new members. Thanks Al!

### The rest of the story (those not previously mentioned)

If you're still reading, I'm almost done. Thanks go out to all the volunteers who work mostly behind the scenes. James LaGrone is first on the list because it's his smiling face that greets our new members. Dave Henry and Dick Ugoretz keep me pointed in the right direction and Doug Parker keeps us from writing bad checks. Harry Baldwin, Rhoda Keegan, Sia McGown and Len Wener make sure our email and membership information is current. Chuck Meacham keeps our history on track and updated. Ron Rossi ensures our newsletter gets out on time and with as few errors as humanly possible. Jim Vitale probably has the most rewarding job for the association. He hands out all the toys that our toy group builds. Charlie Bierman, Roger Solheid and Terry Stolzoff head up that program and keep the wheels turning and duck feet slapping the ground. Don Spangler, Ron Rossi, Glen Weischedel and Harry Feucht keep our bellies happy and the coffee hot. Tom Franks keeps an eye on the tabloids to make sure we get the press we deserve. Raffle prizes anyone, talk to Jim Strawn. Next to Jim Vitale, Jim Strawn's job isn't too bad either. He gets to shop for tools without spending his money. Jack Stone makes sure our scholarship program is alive and well. Dale Stauffer sets up all those great shop tours. Tom Johnson and Michael Fairbanks make sure I sound good and you see the demos during the presentations at our General Meetings. Bob Reese keeps our video library stocked and ready for requests. Ed Gladney and Linda Sanders keep themselves extra busy getting things ready for our Annual Fall Seminar. Bob Stevenson guarantees continued success as show coordinator of one of the largest and most recognized wood shows in the U.S. Last but not least Doug Murphy and Bob Coates make sure our website is managed properly and our Wants and Disposals are handled with care.

Only one position has opened this year. We must say goodbye to Joni P. She is stepping down from the Getting Connected Program. If you would like to fill those shoes, please contact me or any of the other Directors or Chairmen.

I hope everyone had a great holiday season and has a prosperous New Year.  
I look forward to seeing everyone at our first meeting January 29<sup>th</sup> at 7pm.

Jerry M. Pondelicek  
**VVA CHAPTER #472**

San Diego, CA

To San Diego Fine Woodworkers association:

I have been involved with many organizations but you folks are the best. You make these quality toys to give to the sick, the needy and homeless children. The toys I received will go to a few homeless children that are actually still out on the streets. Most are with their parents living everywhere and anywhere, sometimes moving to a different location daily. These kids not only get these toys, they get food, warm clothing and toilet articles.

Thank you very much for brightening their Christmas. It means a lot to those that have nothing but what they can carry with them.

Have a very Merry Christmas.

December 10, 2010

Dear Friends at the San Diego Fine Wood Workers,

Operation Homefront Southern California would like to extend our heartfelt appreciation for your support of our mission. Your generous contribution of handmade, wooden toys continue to provided support for our holiday program for several military children who might not have otherwise received a toy at this event.

In 2009-10 Operation Homefront Southern California was able to meet over 11,400 family needs due to the generosity of our donors, an increase from 7,200 during the previous year. Since May 2010 requests for assistance have increased 75%. The increase need is also reflected in our website activity growing from 6.000 page views in May 2010 to over 25,000 in November 2010.

Volunteers and corporate partners are encouraged to participate in the programs we provide to our military families throughout the year. Please contact me if your organization is interested in becoming more involved with the Southern California Chapter of Operation Homefront.

Again, please accept our gratitude for your support of the military families we proudly serve.

Sincerely,  
Jay Anderson

Dear Sirs,

We really appreciate the handmade wooden toys donated to us by your group. Saturday, 12-11-10, we were in the Escondido Parade and won 3rd place for our float which had your toys underneath the tree. We asked Jim Vitale at the last minute and he and your group came through for us!

Keep up the good work and many thanks.

Dear Wood Workers,

On behalf of Brother Benno's I want to thank you so very much for the wooden toys, each a piece of art and are just beautiful. The children receiving these toys will be getting something extra special.

Brother Benno's is staffed and operated almost entirely by volunteers. We feed around 250 people each morning and give out over 3000 food boxes each month along with many other services.

With help from organizations, such as yours, it allows us to carry on.

Thank you once again for your generosity.

Cordially,  
Suzy Martinek

Dear San Diego Fine Wood Workers,

The Center for Autism Research, Evaluation and Service Foundation (CARES) would like to thank you for your wonderful gift of four tables and 8 chairs. Your generosity will allow several less fortunate San Diego and North County families with autistic children to receive much needed work areas. To stimulate and interact with our clients, CARES often has to provide work areas for our families who lack equipment for our tutors to work with their children. Through your gift, we will be able to fill the needs of some of our families. Again, thank you so very much for your generous gift.

Sincerely,  
Olandria Brown  
CARES Office Manager

On behalf of the Pastoral Staff, the SMCC Seminary congregation, and all the Angel Tree families and children, we want to express to you our deepest appreciation for the wonderful donation of beautiful wooden toys to our Angel Tree Christmas Party.

An Angel Tree child is one who has at least one parent incarcerated. National statistics show that 2 out of 3 of these children will follow their parents into prison. The party is hope for these children to see the love of the community around them. It is our hope that many of these children will break this cycle in their lives. We thank you again for joining with us to help make these children's lives more joyous.

Sincerely,  
Tom Heyer  
Director SMCC Prison Ministry

On behalf of the children of St. Andrew's I thank you for the beautiful chairs and cars. We have 140 children enrolled at present and so the donation is much appreciated. We also are enjoying the cut-offs and would be very happy to use any amount of wood scraps for building and painting. The children really enjoy being creative and even odd shapes are enjoyed.

Again I thank you for the donation. Come by and visit any time you are in the neighborhood.

Sincerely,  
Moir Douglas,  
Director

On behalf the Saint Stephen Knights of Columbus (Council 8609) in Valley Center, we would like to extend our sincerest appreciation for all the wonderful wooden toys your organization has donated to us. As you know, The Knights of Columbus is a Catholic Fraternal Brotherhood dedicated to the support of orphaned children and widows of our community.

As part of our community service we travelled to Tecate, Mexico and helped build the dormitory for the boys' orphanage. The boys are completely dependent on donations for food, clothing and housing. They are so grateful to receive food and clothing; toys are a luxury they did not expect. To see the joy on their faces when we gave them those wooden toys was truly heart inspiring.

Thank you once again for your donations on behalf of the Tecate Boys Orphanage. God bless you and wishing you a glorious Christmas!

Dear SDFWA Members,

The ALGSD express our sincere thank you for your exceptional response to our request for handcrafted toys made and donated by your members. These marvelous items will be given to the young Toddlers at Mark Twain School this Christmas season. For some of the children, these may be the only gifts they will receive. Twain is an "alternate" high school and a chance to gain a diploma and further education. Many of the girls attending Twain are also young mothers. If not for the infant/toddler program, the opportunity to even attend school would not be possible. ALGSD works in partnership with Twain in all areas of education for the students, including scholarships for worthy seniors (both boys and girls) seeking college entry.

Our thank you to Al De Vries for the beautiful design and construction of the Tiger Wooden Toy Chest, the pictures of the Toddlers playing with (and in it) attest to how much it is treasured and used. Special Thanks to Jim Vitale for the personal delivery of four chairs, a box of blocks (these will remain at Twain for all the children to enjoy throughout the year), the 30 toy cars and 37 other pull-push toys and doll cribs. A total of 67 toys, which will be distributed to the children prior to the holiday break.

Most important to single out are the Leaders of the SDFWA Toy program and the individual woodworkers who join together, donating their time and effort to, making possible these cherished handmade toys. And 'cherished' they will be: what child won't remember their fun with a 'long-haul' 6 wheeler semi-truck, pull apart toy puzzle, the yellow bee with flappable wings, the push-pull 'man on horse' with up down movement, the 'Snoopy' dog push-pull toy with flappable felt feet, the wheeled trains with poke-in 'riders', the toy Butterflies with flappable wings, the decorated doll cribs with crocheted dolls and bedding, the little wooden cars, pushed along the floor or carpet for hours of joy. Thank you ALL for making so many children happy this Holiday Season.

A note of interest: The ALGSD program, Operation School Bell, where we outfit needy K-6 school children throughout the year has a number of small chairs in the waiting area for the younger children. No one knows exactly, how long we have had them, an estimate was 'about twenty years'. They are still in excellent condition, and looked very familiar in design, when closely inspected, found they were donated and given by SDFWA. Seems we've been together working for the Community for many years. Again, Thank you.
