## Newsletter January, 2016

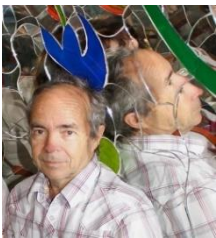

Issue 1

Our 35<sup>th</sup> Year of bringing Woodworkers together

The Next Meeting is 7 pm, Wednesday, January 27<sup>th</sup> at the Al Bahr Temple,

5440 Kearny Mesa Rd., (behind the Hampton Inn)

### January Program: Member Shop Presentation

**Dell Cover,  
Program Chairman**

The January program will be dedicated to a very important undertaking for SDFWA. We've been working for two years; you've been hearing announcements at most meetings. We ran that survey last year, and we already received some donations.

To start off the New Year, we are presenting the plan for opening a SDFWA Member Workshop! Make sure you come to hear about what we are proposing, what the shop will include, and most importantly, how you can participate. This will be important to every SDFWA member. Come to hear the presentation, ask questions, and get answers.

Let's kick off this project with a bang. Gary Anderson and the Member Shop Committee will give a video presentation outlining the proposal, share what we've learned about the three other woodworking guilds that are operating member workshops, and how we can build something similar in San Diego. Then we will have a town hall style question and answer session for everyone present to ask what's on their mind. We want to share the excitement we feel for what could be a transformative undertaking for SDFWA.

**Hope to see you there, Del Cover**

### Next Shop Tour: March 12<sup>th</sup>, Hesser Handcrafted

**Dale Stauffer,  
Shop Tours Chairman**

The tour begins at 9am; coffee and donuts will be served.

Brett has an extensive half million square feet of veneers from all over the world that he uses in his custom furniture designs. This is a state-of-the-art facility with all of the advantages of modern tooling, where craftsmen blend the hand techniques of the past with a vision of the future.

Hesser Handcrafted makes quality veneer products, doors, cabinets, and furniture, combining the balance and symmetry of Asian furniture with the exotic materials of the art-deco period to create a unique and harmonious style. They will also make custom sheet material for SDFWA members.

## **President's Message**

### **January, 2016**

**Bernie Burke,  
President SDFWA**

#### **Happy New Year to one and all!!**

I hope everyone had a great holiday season and is looking forward to 2016 with enthusiasm.

The San Diego Fine Woodworkers Association is positioned to have a positively transformative year.

First, I want to thank all of the officers and committee chairpersons for agreeing to serve this year and to personally thank you, the members, for electing me to the presidency for another year; the support is encouraging. The principal change in leadership is that Lou Adzima has stepped in as Secretary to replace Jeanne Skinner; so thanks go out to each of them. One of the strengths of our organization is that we have so many activities that this allows each of us to be active supporting whatever area our interests take us. In addition to the election of officers, our December meeting resulted in the members approving some housekeeping modifications to the Bylaws, mostly to become a part of the 21<sup>st</sup> century and allow electronic record keeping, saving a few trees for woodworking.

Before I get too deep into our plans for the New Year, there is one key message for everyone. We need you to pay your dues for 2016 if you have not yet done so. Collections in December were a bit below expectations, so please get out the checkbook or go online to sign up. I know the holidays are a financial drain, but it's only \$30 and your dues are really, really important to our financial health.

After a presentation to the Board in early January, Gary Anderson will present his committee's proposal for a Member Shop at our January General Membership meeting. So many of our members have expressed keen support for the idea, even volunteering to assist with its operation, that it's clear there is a pressing need for this. Of course, many of us are blessed with our own shop, but many are not so fortunate and this group includes numerous prospective members. Importantly, the plan also includes some large and rather exotic machinery which should be an inviting

supplement even to those who already have a decent shop. A couple of members recently approached me and explained that their interest in the member shop idea arose from the fact that they had moved from a residence where they had a shop to now residing in a place where it was not possible to have one. So they look forward to being able to continue doing their woodworking even though other aspects of their life have moved on. I don't think any of us are underestimating the magnitude of the task ahead of us, raising enough money to ensure the success of such a shop, but I look forward to giving this idea its day. I understand the concerns of some that we might be taking on a financial burden that could harm the organization, but rest assured that there is no intent to spend any significant SDFWA funds. Rather, the intent is to raise funds in advance which will be dedicated to this specific goal. So please be thinking how you might contribute. On that subject, if you are an attorney experienced in nonprofit organizations, please let Gary or me know if you would be willing to give us some of your valuable time as we go through the organizational process to ensure that everything is done in the most appropriate manner.

## **Design In Wood**

**Ed Gladney  
DIW Coordinator**

Time to start working on your entry for the 2016 Design In Wood exhibition. Remember, there are more chances to win for SDFWA members. Entries close April 29th this year so it's time to get started if you haven't already. We have a new carving class this year, Class 22, "The Human Form." We now have 25 separate entry classes. Each class has 1<sup>st</sup>, 2<sup>nd</sup>, 3<sup>rd</sup> and 4<sup>th</sup> cash awards. In addition, Honorable Mentions are also awarded in each class at the discretion of the judges. These are State awards. Each class is judged by a well-known expert in their field. Also, we have secured major donated awards from our many corporate and local sponsors; this greatly increases the number of awards. We have over \$20,000 in cash and merchandise awarded each year. We look forward to making our 35th year the best ever. Our co-sponsor, the 22<sup>nd</sup> Agricultural District, also looks forward to our successful exhibition. Last year's attendance provided the

opportunity for over one and an half million fairgoers to see our exhibit. A new record!

The fair theme this year is, "Mad About the Fair!" It is an infusion of the magic of Lewis Carroll's beloved book, Alice's Adventures in Wonderland, fused with the artistic movement known as Steampunk; influences from cosplay; great literature; and, wacky machinery. We should have some very interesting entries around this year's theme. Let your imagination run wild.

All entries are online and will be available on the fair's website beginning in February. The entry deadline is April 29th.

The exhibit opens on Friday, June 3<sup>rd</sup> at 4pm and runs through July 4<sup>th</sup>. The fair is closed Mondays, except July 4<sup>th</sup>, and the first two Tuesdays. Our award ceremony will be June 2<sup>nd</sup> at 6pm. Other important dates are:

- Registration Deadline: Friday, April 29, 2016
- Exhibit Delivery Date: Thursday, May 26, 2016, noon to 8:00pm
- Exhibit Awards Ceremony: Thursday June 2, 2016, 7:00pm

**Volunteers from our membership are desperately needed!**

**NO experience is necessary to volunteer, and volunteering is very rewarding.**

We need help with set up Monday, May 16<sup>th</sup> through Friday, May 20<sup>th</sup>. In addition to free fair tickets; enjoy coffee, juice and donuts in the morning; a great lunch; and, refreshments throughout the day.

We need members to "walk the floor", to help educate the public, and protect the exhibits. A shift is three hours. You receive two tickets for each shift or four tickets for each closing (last shift in the evening) floor-walking shift.

We need members to work in the chair shop building children's chairs for charity. A shift is two hours. You receive two tickets for each shift. Learn some new hand tool woodworking skills from master craftsmen. The chairs we build by hand are donated to needy children's organizations around

San Diego. They are very much in high demand. Over the years we have delivered over 1,000 chairs to many worthwhile non-profit organizations.

Fair tickets will be given to those who volunteer. Volunteer for several shifts and you can receive enough tickets for your family and friends. Up to 4 tickets will be given to those who help with setup (exact number depends on amount of time helping). Two tickets will be given for each floor-walking shift or chair-shop shift.

**Remember, sign up for a shift and get two (2) free tickets to the Fair. Sign up for several shifts and also get enough tickets for your family and friends.**

**AGAIN THIS YEAR: SIGN UP FOR THE CLOSING FLOOR-WALKING SHIFTS AND DOUBLE YOUR TICKETS TO FOUR (4) TICKETS FOR EACH CLOSING SHIFT**

**For those who help with set up, we have free tickets based on how much time you work, along with the refreshments and a great lunch.**

Sign up to volunteer online at [www.sdfwa.org](http://www.sdfwa.org) starting in late February or at the general meetings; starting with our March meeting.

This is your exhibit, SDFWA. Let's make it the **VERY BEST.**

## Member Shop Project

**Gary Anderson,  
Member Shop Chairman**

I want to take this opportunity to wish you all a Happy, Healthy 2016 and to also share some very exciting news.

We have finally completed the Plan to Open and Operate a Member Shop for SDFWA Members! Even more exciting is the fact that the Plan was approved by the Board of Directors at their most recent Board Meeting on January 6<sup>th</sup>!

And now we're ready to present that plan to you, our Members!

Please mark your calendars for Wednesday night, January 27<sup>th</sup> at 7 pm. That's our regular January General Meeting. The program that night will be the presentation of the Plan we've developed along with plenty of time to ask questions, make input and learn how you can get involved in the process. We'll also show you what equipment you can expect to see in our shop along with various features that will be important to you, even if you already have a well-equipped shop of your own.

Now that the Plan has been approved, the real work begins; and, the first step is fund raising. In order to turn this plan into reality, we've got to raise a significant amount of money; and, it's going to take all hands on deck! At the January Meeting, we'll show you a variety of ways you can get involved. We need your help!

I look forward to seeing you January 27th!

## Notes from the Webmaster

**Jeff Bratt,  
Webmaster**

Its membership renewal time – and many of you have already renewed for 2016. If you haven't yet, it's easy to renew on-line, and then your SDFWA membership card will be mailed promptly. The payment process is quick and easy – you click the Join/Renew button at the upper right on any SDFWA website page, then click where it says “Current members – [click here to renew your membership](#)”. Your login is usually your email address and membership number – found on your card. However, if you originally joined SDFWA online, there was an option to have picked a different login ID and password. In either case, after you login, select your membership options and pay using a PayPal and a credit card. If you have any problems with site login, just contact me and I'll get it fixed. SDFWA ended fiscal 2015 in stable financial condition. Our number of members held steady, and we continue to have a fiscal surplus, although less than last year. The donation of a CNC router was an unexpected boost in the Donations category.

Looking forward, we plan to keep our activities going at their current levels, continue to expand our Mentor Class program, explore exciting new opportunities with the Member Shop, and continue to invest in some capital improvements – like a new presentation laptop.

## Community Outreach

### **Mike McElhiney, Community Outreach Chairman**

Several years ago Fire Station #27, and several other engines, responded to a structure fire near me. The home of George and Rosalyn Mazzara was burning and the elderly couple, ages 93 and 92, were out on the street. Prompt action by the firemen saved the basic structure, and the home was rebuilt within a year.

Looking for a way to thank the firemen, I suggested to the board of SDFWA that we build Fire Station #27 a table. A donation from Dale Stauffer kicked off the effort and the table was built; the table was, and is, still a hit.

Just last week, Rosalyn fell and broke her wrist. The closest Engine, #37 stationed in Scripps Ranch, came to the rescue. As is usual with our incredible San Diego Firemen, they took care of business and saw that Rosalyn went to the hospital, where she received appropriate follow up care. Thanks to Engine #37! They will get a cribbage board made by Mike McElhiney and inspired by Jeff Bratt, a cribbage board aficionado.

In addition, Ronnie Dizon and his crew from Fire Station #27 volunteered to help me lower Rosalyn's bed in her home. With a cast on her arm she could no longer get into her, too tall, bed. Thanks again to Fire Station #27! These guys deserve a new kitchen. So far, the powers that be in the city are resisting using the wood donated by the San Salvador ship building project for such a noble purpose. I hope they come around. These firemen live in that 1950 kitchen while on duty. They deserve a more up-to-date and comfortable kitchen. Don't you think so?

This is Brian Murphy's show. He is a long time member, supporter, and sponsor of SDFWA. Many of our members are displaying their work there.

## Magazine Program

**Mike Switalski, Magazine Program Chairman**

A big "Thank You!" goes out to Stephen Clarey and Harry Baldwin for their magazine donations at the December Membership meeting!

### 2015 Year in Review

With the close of 2015, this marks the end of my 2<sup>nd</sup> year as the Magazine Sales Committee Chairman. As we look forward to the New Year, it is fitting that I provide a brief update on the past year's activities. During 2015, the SDFWA Magazine Program collected slightly over \$700 in member donations for books, magazines, VCR tapes, CDs and DVDs. While I only have donation data back to 2009, I think 2015 may have been the largest amount ever collected during a single fiscal year! This level of support is only possible through the generous donations of our members. Thank you for your whole-hearted support throughout the year. With your continued participation, our goal is to raise even more than \$700 in 2016!

### More than Just Woodworking Magazines!

One of the reasons that the Magazine Program is enjoying such brisk sales is that we are offering more than just woodworking magazines for sale to our members. Over the last two years, a trend is beginning to emerge, with members donating significantly increasing numbers of books, VCR tapes, CDs and DVDs. During 2015, approximately 1/3 of total donations (~\$250) to the Magazine Program were attributable to a non-magazine item. Each of these items commands a significantly larger donation than the 25¢/magazine. With continuing member support, this trend should continue well into 2016 and beyond. Remember, SDFWA members are the beneficiaries from these non-magazine items available for resale. So during the next few months, as you are cleaning out the house or garage, please consider donating your used woodworking books, VCR tapes, CDs and DVDs to the SDFWA! Thank you!

Best wishes to all of our members and their families for a happy, healthy, and prosperous New Year!

## Pro Bono Report

### **James Vitale, Pro Bono Chairman**

James delivered the following to the community:

- Three boxes of toys to the Sleep Train Foster Kids Program
- Two boxes of toys to Our Lady of Guadalupe Church in Barrio Logan
- Two Boxes of toys to The Salvation Army
- Two boxes of toys to Rady Children's Hospital
- Received a \$100 donation from New York Life Insurance Company Compliance Officer, Richard Malone.

(While on a Company required visit to James's office, Richard admired the cutting boards James had made and noted that, as a cook, he could use one. He did receive the cutting board, and SDFWA received the \$100 donation! Well done James).
