Volume 36

Issue 6

Our 36th Year of Bringing Woodworkers Together

The Next Meeting is 7 pm, Wednesday, September 27th, at the Al Bahr Temple, 5440 Kearney Mesa Rd. (behind the Hampton Inn)

September Program: Bob Stevenson's Thomas Seymour Tambour Desk

**Del Cover,
Program Chairman**

Bob Stevenson won "Best of Show" this summer with his Thomas Seymour tambour desk. For our September program he will be doing a power point and demonstration of the method of inlaying a tambour door and the legs of the desk. He will also bring in the desk so that we can all see it up close.

See you there, Del Cover

Member Shop, Saturday, November 4th

**Dale Stauffer,
Shop Tours Chairman**

Our next tour will be to the shop of Tony Tait on Saturday, November 4th at 9am; coffee and donuts will be served. Tony is the SDFWA Sound Technician. His shop was originally toured on May, 2015, and at that time he solicited suggestions for dust collection and layout from those attending the tour. He has since finished his dust collection system and will be showing it at this tour. For those of you who were at the first tour, you will all want to see how the dust collection system came out. For those who did not attend the first tour, you are going to see a very special shop indeed.

The shop is located in Poway at 14051 Earle Lane. Directions: Take I-15 North or South, take Poway Rd exit East, continue on Poway Rd (4.9 miles) to Olive Tree Ln, turn left, continue (.3 miles) and turn left onto Earle Lane. Tate's shop is at 14051 Earle Lane, Poway, CA 92064.

~~~~~

**President's Message,**  
**September, 2017**

**Mike Davis, President SDFWA**

Well, it is September, summer's over and we are all getting back to normal activities. The fair is finished and Ed is getting ready for the fall seminar next week. This newsletter will come out just after the seminar. If you didn't sign up for it, I am sure you missed a great speaker and a great chance to learn some woodworking ideas from Andy Rae. We all got fed some great food in addition!

There was also a great time at the Old Tool Swap Meet on August 6<sup>th</sup> in the Rockler parking lot with lots of sales and great things to purchase. There will be another one on

November 5<sup>th</sup> at 6am. Yes that is 6am, if you really want the best deals on that tool that you just can't live without.

This month brought some sad news with the passing of Charlie Bierman. Charlie was an important part of the toy program for many years and a personal friend of mine. Charlie has a large impact on my woodworking and my service to SDFWA; I will greatly miss his presence. There will be a Celebration of Charlie's Life on Sep 23<sup>rd</sup> at 11:00 am at St Marks Methodist Church on Clairemont Drive for those who knew Charlie.

The Member Shop open house was held on Sep 9<sup>th</sup>, with a fantastic crowd of people looking at the shop we have put together. We saw all the tools, all the classes, all the learning opportunities; plus we all had some tasty BBQ donated by Olga and Oscar Worm of Bekker's Catering. We are fortunate to have so many good supporters and workers who help us keep our shop running. This shop is the result of several years of hard work by a lot of people led by Gary Anderson and Pete Sterling. We owe them all a big thanks for helping make our association a better one for the future.

I also have to announce that our great newsletter editor, Adrian Larson, has decided to step down at the end of the year. He has been a wonderful newsletter editor and we will miss him a lot. This places us with an opportunity – we need a new editor! If you have ever thought about taking a job within SDFWA, this is an important one. It doesn't take too much computer publishing knowledge; just some good organization and the ability to gather articles from everyone that submits them. Please contact any board member if you would consider this job.

~~~~~

Member Shop Project

**Gary Anderson,
Member Shop Chairman**

Our Member Shop has become a very busy place!

We hosted a very successful shop tour and open house on Saturday, September 9th. Long time members, Olga and Oscar Worm, provided a wonderful catered lunch through their company, Bekker's Catering. (If you need a caterer, you couldn't make a better choice!). Approximately 40 Members showed up for the Shop Tour and another 200 came for the Open House! This tremendous effort, put forth by our entire team, resulted in us signing up another 17 Shop Members.

Our class offerings are already a big hit. Bob Bostick graduated a full class of newly minted woodworkers from this Introduction to

Woodworking, Part 1 class; including five women! The response from these students was very positive and we intend to make this class a regular offering. Bob and John Rieger are also developing the "sequel": Introduction to Woodworking, Part 2 which is scheduled to debut in January. Vard Porter held a unique chip carving class that we hope he'll be willing to repeat in 2018! Many thanks to both Bob and Vard! Upcoming classes include Intro to Woodworking, SketchUp, Jig and Box Building, Birdsmouth Joinery, and much more. Check the web site for details. And don't forget to sign up for Jim Strawn's Toy Building Class on September 30th!

Another exciting development at the Shop is our new CNC Router program. Travis Good and Justin Goodrich have been working hard to develop a program that will allow all of our members to access and learn how to use this exciting new technology. Travis has generously donated a Shapeoko CNC that we feel will be less intimidating to those of us unfamiliar with CNC's. They've also developed a training program for beginners like me. Included in the training program is a license to

use Vetric software which will allow you to design your projects on your own computer; then transfer them to the Shop's CNC. Pretty cool!

If you're not aware of it, some of our shop members have begun to start up their own Special Interest Group. A great example is Chuck Meacham and the Carving Group. Chuck and anyone interested in carving get together the first and third Tuesday of each month to share ideas, carve and form new friendships. The newest "SIG" is Women in Woodworking. A number of our female Members have taken it upon themselves to meet periodically to get to know one another and talk about whatever issues come up. So if you're a female, and would like to join them, get in touch with Sharon Sykora at sharon.syk@hotmail.com.

The Shop is now open and truly ready for business. All that's missing is some of you! If you have not been out to see the Shop, please take the time to do so. You don't need an appointment, but if you call ahead we'll make sure one of us is available to give you "the Cooks tour". We think you will find it offers a lot more than you might imagine, including the opportunity to get to know many of the other members.

As always, we welcome your input, feedback and questions. Hope to see you in the Shop!

Gary Anderson
619-670-1181 Pinz711@aol.com

**September Raffle**  
**James Strawn,**  
**Raffle Program Chairman**

- 1. Lie-Nielsen Rabbit block plane with nicker
- 2. Lie-Nielsen Inlay Tool Set includes all four Inlay tools, pair of radius cutter extension rods and DVD

~~~~~

Toy Program
Roger Solheid, Toy Program Chairman

Since our last report, the following toys have been completed in 2017:

19	Cars	Ed Hujsak
19	Dogs	Ed Hujsak
19	Blue Birds	Ed Hujsak
50	Helicopters	Jerry's Toy Shop
20	Train cars	George Byrne
52	Steak bed trucks	Jerry's Toy Shop
5	Long hall Trucks	George Byrne
20	Cars & Trucks	Paul Trebbien
8	Cars	Derell Finefrock
10	Cars	Charlie Brown
62	P-51 Planes	Jerry's Toy Shop

Our toy production total for the period was 284 and 863 for 2017.

~~~~~

**REALY BIG TOOL SALE**

SDFWA will be conducting a sale of the entire contents of a member's shop on October 7 and 8. An unusually large and varied collection will be available: vintage, new and unused woodworking hand tools, gadgets, bench, standing and portable machines, measuring and sharpening accessories, chisels, mechanic's tools, pen making supplies, wood, etc, etc.. Also, check Craigslist for our listing of a 36 inch Clausing metalworking lathe. **Save the date** and watch for an email notice with more details about the sale in the next few weeks.

**Dick Ugoretz, Estate Sale Chairman**

~~~~~

Bob Stevenson Honored

Early American Life Magazine has listed Robert Stevenson as an artisan in its Directory of Early Traditional Crafts in their 2017 July/August issue. A photo (shown below) of one of Bob's many fine works is featured in their magazine. Bob used Honduran mahogany with holly, ebony, and satinwood inlays to craft this reproduction of a Federal game table, likely made in Salem, Massachusetts, c. 1800-10. The table stands 36 inches high, opens to 36 inches deep, and has a secret drawer behind the swing leg.

Courtesy of Robert Stevenson
