Our 38th Year of Bringing Woodworkers Together

**Next Meeting is 7 pm, Wednesday, January 30th, at
Our Mother of Confidence Catholic Church
3131 Governor Dr. - corner of Regents Rd.
Serra Hall (Downstairs)**

January Program: **Joinery; with Taeho Kwon**

Taeho Kwon – (Winner of the Master woodworkers' trophy from last year's Design-In-Wood), will give a presentation on what is Joinery; is it stronger than screws or nails and how the joinery can help the lifespan of the project. Taeho studied interior design at East Carolina University, but then traveled to Korea and attended the

School of Traditional Korean Architecture where he learned how to make Buddhist Temples and King's Palace and built traditional Korean houses. Many of these techniques can be seen in his lamp from last year's DIW show. Taeho also teaches at the William Ng School of Fine Woodworking in Anaheim, Ca.

The meeting will be Wednesday, January 30th at 7:00PM at Our Lady of Confidence Catholic Church - Serra Hall, (downstairs), 3131 Governor Dr. San Diego, 92111 (Governor Dr. at Regents).

See you there, **Dell Cover - Program Chair**

September Raffle

**James Strawn,
Raffle Program Chairman**

1. Lie-Nielsen #41 Small Shoulder Plane
2. Ohishi Water Stone 1000/3000/6000
3. Lie-Nielsen #85 Cabinet Maker's Scraper Plane

Dinner Before The Meeting

Enjoy the friendship of fellow woodworkers at dinner before the SDFWA General Meeting on **January 30 starting at 5:00 p.m.** at the **Round Table Pizza restaurant** (3250 Governor Dr.) just kitty-corner to the church where the SDFWA meets!!!

The restaurant can seat 70 people for dinner and discount prices are available to members. We have a stack of coupons for everyone.

This is the first time we have attempted a before-the-meeting dinner so we don't know how many people to expect. Therefore we ask that you [RSVP here](#) so we can monitor interest in attending.

The WWW women's group, (who have met several times before the meetings), have plans to meet at the Outcast Grill (6104 Regents Road) at 5:00 across the street from the church.

Possible February Shop Tour

Dale Stauffer,
Shop Tours Chairman
ddstauffer77@gmail.com

The United States is rich with wood varieties. And San Diego County has a rich and more diverse urban forest than anywhere in the US. Many of us in SDFWA have used local wood to build projects for the Del Mar Fair. Some of the more desirable of the local woods are: Torrey Pine, Camphor, Twisted Juniper, several varieties of Auricularia (Hoop Pine, monkey puzzle, Norfolk Island Pine), Eucalyptus (Iron Bark and Red Gum are best), and so much more.

That is why I suggested to Dale Stauffer that he go up to Fallbrook with me next Sunday to check out Brian Bishop's wood cutting operation, so we can schedule a shop tour in February. Brian owns Bishop's Tree Service, and is upping his game of removal and trimming to include Urban Lumber. Weekends finds him slicing lumber with his Wood Mizer band sawmill. Four or five trucks towing chippers are parked in the upper lot. Brian can be found driving a tractor that picks up logs and positions them for the mill.

There are stacks of carefully stickered lumber in the lower third of the operation. The address is 3309 Olive Hill Dr., in Fallbrook. Brian cares for 10 acres and uses several for the lumber. Check out the website for Bishop Tree Service, (bishopstreeservice.net). There are some views of the area on the site.

The best thing about getting your lumber from Brian is that he is passionate about his work. He is insatiably curious about species - how to mill them, how to cure them and what they are best suited for. I hope we can schedule the tour in February. A worthwhile visit.

Best,
Mike McElhiney

President's Message

Travis Good, SDFWA President

Hello Fellow Members!

One virtue to being a fresh face is that everyone can be your teacher. As I took an interest in running for president I met with many people: seasoned veterans of SDFWA, recent additions via the Member Shop and the woodworking community at large. Wow! This association of ours does a lot and has for a long time. I'm honored to be a part of this accomplished community!

Other things I learned have helped me frame how I'd like to contribute.

Goal #1: Deliver more value to the SDFWA membership.

With all that goes on in our community, there are many untapped opportunities to deliver value. We hold events which more members could be invited to. We do deals which can bring members savings. We have talents and assets and know-how that more members could tap into. At the board and program levels I'll work to help unlock this potential and deliver more value to our membership.

Goal #2: Build bridges between association silos.

While we have wonderful programs such as Design in Wood, the Member Shop, the Toy Program, Shop Tours, and so much more, I learned that they tend to operate in isolation. All programs can benefit from smart and appropriate collaboration. We've already started to unlock this potential and you'll be reading more about it in coming weeks.

Goal #3: Grow membership through increased diversity.

We have a large pool of seasoned talent. A large but shrinking pool. We need growth, but not for growth alone. What SDFWA has to offer can benefit a much larger slice of San Diego county: young adults who long to work with wood but don't know where to begin; recently retired who are looking for a new community to join; women who should by all rights be half our membership but aren't ... yet; other communities in San Diego who work with wood but don't yet call SDFWA their community. We will position our programs and our resources to attract them.

From my many conversations, I believe these should be my goals.

They are ambitious goals but with time they are achievable.

Write me with your thoughts and if you'd like to play a role.

It's January, my year has begun, and I'm excited.

I hope to help make SDFWA better, for you.

Best regards, Travis (president@sdfwa.org)

p.s.

More people need to learn about the good things we do! Are you an experienced publicist? Do you enjoy getting attention for good news? We could really use your help as **Publicity Chairperson** of the SDFWA. If you'd be interested in learning more, then please write to president@sdfwa.org.

Toy Program Report

Roger Solheid, Toy Program Chairman

Anna Lou has been volunteering in the Special Needs class at an Elementary School in El Cajon for as many years as I can remember. The stories she has told us about that experience are more than moving.

Jim delivered a batch of toys to them this week and Anna Lou and the Teacher are appreciative beyond all words. And of course the kids are "over the moon"!

Your efforts have made this Christmas special for some very "special" children!

Merry Christmas!
Gary Anderson

James Vitale delivered a box of toys to Camp Pendelton Marine base.

## A Toy Story

For over 25 years, groups of our dedicated woodworkers have been getting together regularly to make quality hand-crafted toys. Their purpose? To bring joy to children in needy situations: in hospitals, orphanages, schools and other children's organizations.

Our primary [toy-making program](#) was established by several members while they were attending Palomar College. While toy-making activity has shifted location occasionally, participants have changed over time, and toy designs have come and gone, the magic of working together, building friendships and producing quality hand-crafted wooden toys has stayed constant. To this day the group meets weekly on Wednesdays to continue their tradition ... together.

Thanks so much for all the toys...

This little guy really likes his!

He's a cancer patient at Rady Children's Hospital.

Over the years they have made a wide variety of toys. In the picture above you can see shelves filled with many toy designs. Drawing upon this rich history, some of the long-term members collaborated to produce a how-to book of their favorite 15 toys. After more than 2 years of effort, **Constructing Wooden Toys** has been released [on Amazon](#).

This article is written foremost to celebrate SDFWA's toy makers. The community of friendships they maintain, the variety of toys they make and the goodwill they generate are all praiseworthy. This wonderful program is a great example of what can happen in SDFWA when friends who share a passion agree to work together to do good.

In addition, this article is an announcement of an upcoming offer to SDFWA members. We're very proud of **Constructing Wooden Toys** and we want to give all members a cause to celebrate with us. This book has project plans and step-by-step instructions for 15 of the Toy Makers' favorite toys and soon we'll be offering it to you at a deep discount off of Amazon's \$29.95 price. Stay tuned, news of the offer will be coming to you soon in an email.

## **Community Outreach Activity**

**Mike McElhiney, Chairman**

**Fire Station #27** -

## **Reminder:**

**WOOD X** (a Furniture Show) is ongoing from  
**January 11<sup>th</sup> - February 1<sup>st</sup>, 2019** at the  
**Escondido Arts Partnership Gallery** in  
downtown Escondido. This is the 10<sup>th</sup> annual  
exhibit and there are many fine woodworking  
exhibits there, including many from SDFWA  
members. You can find out more information  
about the show at:

## **Member Shop**

**Gary Anderson,**  
**Member Shop Chairman**  
619-670-1181 [Pinz711@aol.com](mailto:Pinz711@aol.com)

Happy New Year from the Shop! And thanks for your support in making 2018 an even better year than we projected. The Shop ended the year with 250 Members and is in strong financial health!

2019 is off to a fast start. The George Vondrisk Seminar sold out in one day. Again, your support is not only appreciated, but sends the signal that this type of Seminar is something you would like to see more of. We hear you and we will move in that direction. If there is a particular individual you'd like to see, please let us know.

The January "Eye Opener" (Jan 26<sup>th</sup>, 9am) will be the official unveiling of our newest piece of equipment, a 12" Grizzly Jointer featuring a helical cutting head. This addition is due to the generous contributions of a number of Members, capped off by Eric Hedegaard whose very generous donation got us over the finish line. Come join us for coffee, donuts, "shop talk" and a look at this beauty and what it can do! No fee, Shop Membership is not required. Just show up!

We've got an exciting new feature at the Shop and you can enjoy it from home. "Shop TV" is a closed circuit series of informational slides that now display on two large monitors in the Shop.

The slides change every 8 seconds and feature photos of key members, the projects they're building, the Shop Calendar, information on upcoming classes, special events such as the sale of the new Toy Group book, and much more. In fact, if you have something you'd like to see added, just email me. All you have to do to view this from your home computer is enter the URL: <http://sdwoodworkers.org>. Go on...give it a try!

Thanks again to all of you who supported the Holiday Gift Sale. So many Members donated items (see <https://youtu.be/vxaLUhg5RNq>) or came down to the sale and got their Christmas shopping done early. The results exceeded everyone's expectations by raising over \$10,000 for Shop Operations! What a wonderful example of what this group can do when we come together in support of a common goal.

We look forward to seeing a lot of you in the Shop in 2019!

## **2019 Design In Wood Exhibition**

Time to start working on your entry for the 2019 Design In Wood exhibition. Remember, there are more chances to win for SDFWA members. Entries close April 26<sup>th</sup> this year, so it's time to get started, if you haven't already. We now have 26 separate entry classes. Each class has 1<sup>ST</sup>, 2<sup>ND</sup>, 3<sup>RD</sup> and 4<sup>TH</sup> cash awards. In addition, Honorable Mentions are also awarded in each class at the discretion of the judges. These are State awards. Each class is judged by a well-known expert in their field. Also, we have secured donated awards from our many corporate and local sponsors which greatly increases the number of awards. We have over \$20,000 in cash and merchandise awarded each year. We look forward to making our 38<sup>th</sup> year the best. Last year's attendance provided the opportunity for over one and a half million fairgoers to see our exhibit.

This year's theme is "**San Diego County Fair, Ozsome!**" inspired by L. Frank Baum's classic tale, "**The Wonderful Wizard of Oz.**" I expect to see some "Oz-some" theme entries.

All entries are entered online and will be available on the fair's website beginning in mid-February at [www.SDFAIR.com](http://www.SDFAIR.com). The entry deadline is April 26<sup>th</sup>. There is plenty of help with entries from the entry office at the fair.

The exhibit opens on Friday, May 31st at 4pm and runs through July 4<sup>th</sup>. The fair is closed all Mondays and Tuesdays in June. Other important dates are:

### **Volunteering at Design In Wood**

What sets our show apart from others are all of you. We constantly hear Design In Wood is the favorite "must-see" exhibit at the fair. It is largely because SDFWA woodworking members are there to interact with the public, answering woodworking questions and supplying a great experience for fairgoers. Most questions from the public are easy to answer and we have plenty of knowledgeable people to help if needed. We really need your help, so please plan on volunteering. Remember the DIW show is "your show" and one to be proud of. It was the main reason SDFWA was established and (from our bylaws), the purpose of SDFWA "is dedicated to the education, promotion, and execution of the principles of fine woodworking to the public." The DIW show is our main venue for achieving that goal.

**NO experience is necessary to volunteer,**  
**and volunteering is very rewarding!**

We need members to "walk the floor" to help educate the public about woodworking and protect the exhibits. A shift is three hours although you do not have to be on your feet the entire time. We encourage you to take a break if you need to. We have a break room with soda, coffee and snacks. You receive two tickets for each shift or four tickets for each closing shift (last shift in the evening). It is not necessary to be a "master" woodworker to answer questions from the public. Even "beginning" woodworkers will know more than 99% of the public. Most questions are easy to answer, and we have plenty of help if needed. The number 1 question every year? "Where is the bathroom?"

We also need members to work in the chair shop, building children's chairs for charity. A shift is two hours. You receive two tickets for each shift. Learn some new hand tool woodworking skills from master craftsmen. The chairs we build by hand are donated to needy children's organizations around San Diego. They are very much in high demand. Over the years we have delivered over 1,700 chairs to many worthwhile non-profit organizations. Two tickets will be given for each floor-walking shift or chair-shop shift. Four tickets are given to those who sign up for the last floor-walking shift. Volunteer for several shifts and you can receive enough tickets for your family and friends.

### **Setup**

We need help with set up starting on Monday, May 13. In addition to free fair tickets, enjoy coffee, juice and donuts in the morning, lunch is provided with soda and water throughout the day. Up to 4 tickets will be given to those who help with setup (varies depending on amount of time helping).

**Remember, sign up for a shift and get two (2) free tickets to the Fair. Sign up for several shifts and get enough tickets for your family and friends also.**

**AGAIN THIS YEAR: SIGN UP FOR THE CLOSING FLOOR-WALKING SHIFTS AND DOUBLE YOUR TICKETS TO FOUR (4) TICKETS FOR EACH CLOSING SHIFT**

Sign up to volunteer online at [www.sdfwa.org](http://www.sdfwa.org), (when it becomes available later this month).

This is your exhibit, SDFWA. Let's make it the **VERY BEST**.

## COMPETITION REQUIREMENTS:

1. The Local and State Rules apply to this department, available at [sdfair.com/entry](http://sdfair.com/entry). No entry will be accepted should the exhibitor describe conditions under which they will exhibit. Neither the San Diego County Fair (22nd District Agricultural Association) nor the San Diego Fine Woodworkers Association will be responsible for loss or damage of any kind. It is the responsibility of the exhibitor to purchase insurance, if deemed necessary.
  2. **Eligibility:** Open to all interested woodworkers age 18 and over.
  3. Works previously displayed in this exhibition are not eligible. Entries that do not adhere to the requirements specified will be disallowed.
  4. Entries must be made primarily of wood and must have been created by the artist whose name appears on the entry registration. Entries, any portion of which were produced under the supervision of an instructor or those constructed from kits, are not eligible.
  5. **Limit:** Three (3) entries, all classes combined per entrant.
  6. **Processing Fee:** \$20.00 per entry entered.
  7. All entries are submitted online. Photos must be submitted with each entry.
  8. Enter your information carefully and proofread your name and title of the project for punctuation, capitalization and spelling to ensure accuracy on exhibit labels.
  9. Photos of unassembled entries are not acceptable.
  10. Entries that are unsuitable or require excessive display space may be disallowed by Fair Management. Entries will be juried for acceptance into the show.
  11. Entries must be the same as submitted in the online entry process. Substitutions will not be accepted.
- Sale of work:** All work on display will be considered for sale at the price indicated during entry registration. Work not for sale must be marked NFS during entry registration. Work not priced will be considered NFS. Sales inquiries will be collected and passed to the exhibitor when entries are picked up. No sales are allowed at the Fair. All sales will be the responsibility of the exhibitor.
- Judging procedure:** Judging panels will consist of master woodworkers and industry professionals for each class. Judging criteria for all classes: Design Integrity, Understanding and Use of Materials, Use of Form and Color, Overall Craftsmanship, and Appearance and Quality of Finish. Pre-jurying by judges will be done initially from digital images to determine acceptability and proper class assignment. Judges, per their discretion, may reassign entries to the proper class. All selected entries and award winning works will be displayed during the run of the Fair. The decision of the judges is final.
- Delivery/Shipping:** Deliver entries to the Del Mar Fairgrounds Mission Tower Building. (See page 1 for dates) Access the Fairgrounds through the Solana Gate from Via de la Valle. No works will be received after this time. Claim checks will be issued when delivered. Small works may be shipped, pre-paid, to arrive at the San Diego County Fair. Review calendar for delivery dates for hand-delivery or shipped. **No Entries** will be accepted before this date for hand-delivery. The Entry Office must receive a notification via email at [entry@sdfair.com](mailto:entry@sdfair.com) with the estimated delivery date of the accepted entry(s).
- Ship to:** San Diego County Fair Entry Office  
Design In Wood Attn: Ed Gladney  
2260 Jimmy Durante Blvd., Del Mar, CA 92014
- For return shipping of entries,** a pre-paid return label from the shipper (UPS or USPS) **must** be included with your entry.
- Pick up Instructions:** You must present claim checks to pick up entries. If you cannot pick them up, arrange for someone else to do so. That person must bring the claim checks and/or a signed written authorization from you. Entries not picked up become the property of the San Diego County Fair and will be disposed of promptly.
