## March Program: **Arts and Crafts with Brett Hesser**

Back again, one of your favorite speakers, Brett Hesser will be talking about the birth of Arts and Crafts furniture. Brett started by attending the Leeds Design Workshops and has had an incredible career of designing and building furniture. He will be talking about how this all came about and where many of the current trends in Furniture design started. Brett specializes in modern designs that use rare and exotic veneers with extreme figure and color. The meeting will be on Wednesday, March 27 at 7:00 PM at Our Lady of Confidence Catholic Church - Serra Hall, (downstairs), 3131 Governor Dr. San Diego, 92111 (Governor Dr. at Regents).

See you there,

## President's Message

**Travis Good, SDFWA President**

"Where will future fine woodworkers come from?"

That's a question we're actively trying to answer. We need to attract people with an affection for woodworking so they can learn and grow from experts in our community. People don't spontaneously become fine woodworkers. We all start at the beginning and with time and practice we get better. However, it sure helps to be a member of a supportive community of experts. That's SDFWA.

Design in Wood is an exceptional showcase which has inspired the public for 38 years. Our General Meeting regularly brings members together to socialize and learn. The Member Shop has resource for achieving what may not be possible in home shops. The list of riches goes on to include Shop Tours, Toy Making Programs, and more. Our challenge is to bring new blood into our community to join us and grow their talent with wood.

To increase membership, your board of directors has a goal of growth through diversity.

Two years ago, only a tiny fraction of our community was made up of women. Two years ago, we had very few young adults as members. This is changing. The Member Shop has attracted new members at a clip of 40% women. A focus on Digital Tools education has brought in many new young adults.

Establishing new Special Interest Groups (SIGs) around such topics as carving and toy making and laser engraving is drawing people new to woodworking. The work has begun but

we have much to do ... and we could use your help. Contact me with any ideas you may have.

By growing our numbers we bring in beginner woodworkers.

By offering excellent programs and services we develop members.

By doing these well over time we will produce future fine woodworkers.

## Toy Program Report

**Roger Solheid, Toy Program Chairman**

Since our last report the following toys have been completed in 2019:

|    |        |                        |
|----|--------|------------------------|
| 50 | Hippos | Jerry's Toy Group      |
| 68 | Bees   | Montgomery High School |

118 total toy production for the period, to make **118 total for 2019.**

## **THANK YOU Toy Makers!**

Dear Mr. Jim,

Thank you so much for your donation of beautifully crafted wooden toys. I was blown away by how many different toys there were. We are a very large school (22 classrooms) and I was able to pass out toys to each classroom. My 3-year-old class LOVE the small toy cars and baby cradles, our Toddlers LOVE the Bumble Bee pull toys and our Pre-K classes LOVE all the different trucks. I will be sending a bunch of pictures to you soon! Again, thank you so much for this wonderful gift!

## Member Shop

**Gary Anderson,**  
**Member Shop Chairman**  
619-670-1181 [Pinz711@aol.com](mailto:Pinz711@aol.com)

There's a LOT happening at the Member shop!

**Jim Strawn** has his **Toy Building Class** up and running. They currently

meet the first Tuesday of each month and will likely add a second day (the third Tuesday) given the success they've had thus far. Any Shop Member is welcome. Each Member is asked to bring \$5 to cover materials and will go home with a Toy at the end.

**Dana Chapin** is back by popular demand doing his **Festool Domino Class**, ([see next page](#)). He will offer it twice this month. He will have enough tools there for everyone to practice "hands on". Check the [Calendar](#) for details.

**Larry Szafraniec** will be doing a two-day Bowl Turning Class and **John Rieger** is off to a great start with his Carving School.

Speaking of John, he has made the decision to step back from the roll of **Education Director** to concentrate on his Carving School. Fortunately we have a volunteer that has been good enough to step up and take over this critically important position. **Susan Lively-Klug** will continue to build on the great foundation that John and his Team have laid. I continue to be very excited about educational opportunities we will be offering our Members moving forward. Please join me in welcoming her to her new position.

Thanks to the generosity of Travis Good, we have added a **second CNC machine** to the Shop. This will allow us to better keep up with the demand for training and use of CNC technology. His team is also offering both **Laser & CNC Refresher Classes** this month.

**Doug Glessner** is well on his way to preparing for this year's **Holiday Gift Build** in November. Members are meeting every other Friday to build items for sale. They're making some pretty interesting stuff! All Members are welcome. Just show up between 9am - 1pm.

There's also a rumor that **Mike Davis** is going to start up a **Luthier SIG** (Special Interest Group). Stay tuned for more details.

Hope to see you soon.....at the Shop!

## Festool Domino DF500 Class

Saturday, February 23<sup>rd</sup>

Wednesday, March 13<sup>th</sup>

### **CONFESSION OF A FIRST TIME MEMBER SHOP STUDENT**

Who can be more critical of a teacher than another teacher that is his student? If I, (a teacher for 32 years), was giving out grades, Dana Chapin who taught the Festool Domino class would get an A.

Sunday morning, the first day when the Spring time change occurred, ten people dragged themselves early out of bed to be entertained and educated about a marvelous device that uses floating tenons to join pieces of wood.

There was laughter, interesting and extremely helpful/supportive people, and hands-on construction using the Domino machines. I was so glad to attend because people with experience pointed out the things one does not find in manuals or first working with such devices.

It is always fun to be with enthusiastic people with various amounts of experience using the Domino. In fact the camaraderie was so good people would point things out to you while you were practicing and even let you make mistakes so you could learn from them. Add all the humor that occurred during the class, it is hard to see how things could even be made better.

Thank you SDFWA Member shop for providing this opportunity and having generous thoughtful people like Dana be able to teach classes like this.

**CALLING ALL WOODWORKERS!**

**THE 2019 Design In Wood Exhibition**

**IS OPEN FOR ENTRIES**

**DEADLINE IS APRIL 26**

We have over \$20,000 in award money and merchandise with 26 State entry classes. Each class awards 1<sup>st</sup> through 4<sup>th</sup> place plus Honorable Mentions. In addition, there are 14 Donated Awards from our sponsors and 3 “Special” awards from the fair. Also, there are six awards reserved for SDFWA members. So, get working on your winning entry! Your work will be on display to over one million fairgoers that visit our exhibit each year.

This year’s theme is “The Wizard of Oz,” which should lead to some interesting theme displays. The fair runs from May 31<sup>st</sup> to July 4<sup>th</sup>. Fine Woodworking magazine is the sponsor of the “Best in Show” again this year. Enter online at [www.sdfair.com/exhibits/design-in-wood](http://www.sdfair.com/exhibits/design-in-wood). The fair website has the entry brochure which lists all the classes and all the awards as well as all the industry donors and prize money. There is even more information on our SDFWA website <http://www.sdfwa.org/design-in-wood-2019/>

**Volunteers from our membership are needed to walk the floor and work in the chair shop.**

**NO experience is necessary to volunteer, and volunteering is very rewarding.**

**Go to <http://www.sdfwa.org/volunteer-duties/> for detailed information, schedule and signup instructions, (and see page 8 in this newsletter for visual step-by-step instructions).**

Help is needed with set up starting Monday, May 13<sup>th</sup> at the fairgrounds Mission Tower building. Enter the Solana gate and park near the building. Bring a screw gun if you have one. There is a lot to do. We have Marines to do the heavy lifting. In addition to free fair tickets, enjoy coffee, juice and donuts in the morning, a great lunch and refreshments throughout the day. Come in and find any of our staff (those are the ones with employee badges) and they will get you signed in and put you to work. If you have problems, seek me out and I will find something for you to do.

Once the fair opens, we need members to "walk the floor" to help educate the public, and protect the exhibits. A shift is three hours. You receive two tickets for each shift or four tickets for each closing (last shift in the evening). In addition, we need members to work in the chair shop, building children's chairs for charity. A shift is two hours. You receive two tickets for each shift.

Fair tickets will be given to those who volunteer: Volunteer for several shifts and you can receive enough tickets for your family and friends. Up to 4 tickets will be given to those who help with setup (exact number depends on amount of time helping). Two tickets will be given for each floor-walking shift or chair-shop shift.

**Remember, sign up for a shift and get two (2) free tickets to the Fair. Sign up for several shifts and get enough tickets for your family and friends also. Sign up for the closing floor-walking shifts and DOUBLE YOUR TICKETS TO FOUR (4) TICKETS for each closing shift.**

**NEW THIS YEAR! SHOP MEMBERS THAT SIGN UP TO WALK THE FLOOR ON THE AFTERNOON OR EVENING SHIFT WILL GET A FREE "SHOP SLOT" FOR EACH SHIFT.**

**SIGN UP ONLINE AT <http://www.sdfwa.org/volunteer-schedule-design-in-wood-2019/>**

**For those who help with set up on May 13, we have free tickets based on how much time you work, along with the refreshments and a great lunch. Come and help with the setup and see how DIW is put together.**

**Sign up to volunteer on line at <http://www.sdfwa.org/volunteer-schedule-design-in-wood-2019/> or at the general meetings, starting with this month's general meeting.**

This is your exhibit, SDFWA.  
Let's make it our **VERY BEST.**

**See your selection below**

Date                      6/7/2019

Period (1 volunteer slot)   1

Session (Time)            2

**Instructions**

Select the date, period and time you want to work by clicking the time box. The box will turn yellow.

If everything is as you want click the assign time button below. If you need to make a change click on clear and start again. You can then select another time or close the window to quit.

To cancel or change a time after it is assigned contact Doug Murphy the volunteer coordinator at [dw-murphy@cox.net](mailto:dw-murphy@cox.net)

Note on the Clear Time button – it will clear the information in the bottom panel – or you can just click on another vacant time slot. Once you click the Assign Time button, you are committed to the selected time slot. If you subsequently need to cancel or change your shift, you must contact [Doug Murphy by email](mailto:Doug.Murphy@designinwood.org) or phone.
