## Dinner Before the Meeting

Enjoy the friendship of SDFWA woodworking members for dinner before the general SDFWA meeting on May 1 starting at 5:00 p.m. in the Round Table Pizza restaurant (3250 Governor Dr.) just catty corner to the church where the SDFWA meets.

The WWW women's group, who have met several times before the meetings, have plans to meet at the Outcast Grill (6104 Regents Road) at 5:00 across the street from the church.

## April Raffle

Raffle Program Chairman**

1. Rockler \$100 Gift Card
2. Lie-Nielsen Honing Guide
3. Lie-Nielsen Chisel Set 1/4", 3/8", 1/2", 5/16" & 3/4" plus leather roll

## April 2019 Membership Report

New Members	16
Total SDFWA Members	969
Members not renewed	273

**Note change of meeting date -  
moved to May 1st**

**Meeting Program:**  
**Sharing woodworking in Japan  
with Russ Filbeck**

Russ Filbeck recently made a trip to Japan to teach and build his American chairs and rockers, but also to see and participate in traditional Japanese wood working and completion.

For the program he will share what he saw in Japan, their tools and competitions with fine planes, (he will bring one also for demonstration).

Russ will also bring two of his rocking chairs and discuss some important materials, design and finishing elements for chairs and furniture. As most of you know, Russ teaches chair building and is an incredible speaker so this will be a great program.

The meeting is on Wednesday May 1 at 7:00PM in the Our Lady of Confidence Catholic Church- Fellowship hall, 3131 Governor Dr. (Corner of Governor and Regents).

See you there,

**Dell Cover  
Program Chair**

**Community Outreach**

**Mike McElhiney, Chairman**

**Volunteer Help Needed:** Need some help for a table I am planing for the police department near friars road. Many people in my neighborhood have offered help and money for supplies, but having experienced help would be good. The table is six by six and will be a "river runs through it table" with resin and rocks in the river bed.

**Volunteer Help Needed:** Also, the Captain asked if I could make a new background for pictures of the management at the department. See below. That would require a sheet of a nice plywood, some trim and laser'd or CNC'd letters.

**Volunteer Help Needed:** Also, the Central Library needed a new book cart for the book sales area. Matt Evans has helped me with sanding and general help at my shop and said he will help me deliver this on Friday.

## President's Message

**Travis Good, SDFWA President**

We will advance our goals iteratively.

Your board has ambitions to improve the value of your membership, collaborate more across SDFWA programs, and grow the association through diversity. Will we make strides in great leaps? No. We'll be making progress in stages through trial and error. We will try many things, keep what works and drop what doesn't.

In just the first few months of 2019 you can see this plan in action.

General meetings are improving. We added the Woodworkers Corral where during the break projects are exhibited. The New Tool or Technique segment has already introduced the Shaper Origin, the Festool Domino and we have no intentions of slowing down. Soon we'll add a Beginner's Forum from 6:30 - 7:00 so members new to woodworking can learn, ask questions, and build community. That said, we've dropped our changes to how the raffle is conducted.

Communication is improving. Our various newsletters are snappier, more frequent, and timely. The website is undergoing changes which are already evident in the Shop pages. Social media publishing is becoming more regular and is better reflecting activity across the board. That said, our experiment with SDwoodworkers.org will be subsumed into SDFWA.org as it should be.

Collaboration across groups is improving. The Toy Program's "Constructing Wooden Toys" book has been purchase by over 150

members. The Design in Wood program will benefit from free Shop Slots to Shop Members who volunteer to work evening shifts. The Member Shop is finding motivation in targeting entries in new digital tools classes of Design in Wood. That said, we could be doing more.

Our approach will result in steady progress toward achieving our goals for you. With results, we hope you'll better appreciate your membership and want to get more involved. SDFWA is a community of people who share a common interest in woodworking. If we do our job well then we hope SDFWA will become a more important part of your life.

## Member Shop

**Gary Anderson,**  
**Member Shop Chairman**

Want to see something new? Go to the [“Member Shop” homepage on our SDFWA.org web site](#). It’s been completely reworked and has some important resources now available to all. First, you’ll notice a “TV Screen” that rotates an ever up-dated series of slides covering upcoming events, classes, photos of Members and what they’re building, pictures from Shop Tours and much, much more. You can let them cycle every 8 seconds or you can control which slides you want to see. Scroll down further and you’ll see information on all of the current Class offerings as well as information on our “SIGs” (Special Interest Groups). Scroll all the way to the bottom and you’ll have access to a full view calendar that includes all SDFWA activities. Thanks to Jim McGihon and Michael Lewis for all their work on this.

Items for this year’s Holiday Gift Sale are already starting to roll in.

The generosity of our Members last year helped make this event a huge success. We’re hoping to build on that this year. You can contribute items by dropping them at the Shop or bringing them to the General Meeting. We can use anything that will sell....pens, bowls, boxes, toys, small furniture items, wall hangings, intarsia pieces, puzzles, etc. Need ideas, plans, parts or materials? Just let us know. Want to join in on the fun at the Friday “Builds”? Come on down. Even if you’re not a Shop member, we’ll put you to work. Also, we’re in need of dark hardwoods to use in these projects. If you have cut-offs or pieces of walnut, mahogany, padauk, purpleheart, etc, please drop them by the Shop or bring them to the General Meeting. Thanks in advance for your help!

The new Luthier SIG is up and running. Their 1<sup>st</sup> meeting on April 5<sup>th</sup> had 24 folks attending! It was a good 1<sup>st</sup> organizational meeting and they enjoyed listening to some live banjo music. You DO NOT need to be a Shop Member to participate in any of our SIGs ([Special Interest Groups](#)). If you have an interest in Carving, Digital Tools, Women Who Woodwork or making musical instruments, why not visit the next meeting. There’s no fee...just good camaraderie with like-minded woodworkers!

We’ve also got some great Classes coming up! Wait until you see Jeff Bratt’s Router Class. Check the [Calendar](#) for more information.

If you ordered our new ***Toy Construction*** book. They are now available for pick-up in our Member Shop lobby for your \$15 (cash or check only) payment during normal shop hours ([check on our website](#)).

Hope to see you soon.....at the Shop!

## SDFWA Newsletter

---

Beginning in 1982 SDFWA has published a printed newsletter to help keep people informed of the activities and benefits of the Association, and to share information about woodworking related subjects. About 15 years ago, we also began posting each newsletter edition on the SDFWA website. Since then, the number of printed subscriptions has slowly decreased, and recently fell below the threshold to qualify for discounted bulk mailing rates. We now have fewer than 200 members who receive the printed newsletter.

When a \$5 annual fee for receiving a printed newsletter by mail was introduced several years ago, it was intended to help cover some of the ongoing costs for printing, assembly, and postage. SDFWA currently spends about \$2800/year to print and distribute 200 copies of the newsletter – or \$14 per subscription. As the number of these subscriptions continues to decrease, the Board is questioning whether or not we should continue to print the newsletter or switch completely to on-line distribution. We especially want the opinions of members who currently receive the newsletter by USPS mail.

We have multiple options – continue the current policy, increase the annual subscription fee to cover more or all of the printing and distribution costs, try to further reduce costs, or dispense with the printed version and move to on-line delivery only.

Many organizations like ours have discontinued printed newsletters and rely entirely on electronic distribution channels. However, we think some of you may want to continue to receive a printed newsletter. Please let your Board know what options you would consider by completing the newsletter survey at <https://goo.gl/forms/DzSb9AowtwwTTZfy1> or returning the included printed version by mail or in person at the next General Meeting.

The printed newsletter will continue at least through 2019. We will keep you informed as decisions are made.
